

# POLARIS SOCCER CLUB

## SCHOLARSHIP APPLICATION

Polaris Soccer Club's mission is to educate and coach young soccer players through guided discovery, interactive learning, competition and cooperation to become better players, teammates, and people.

Soccer is the world's most popular and participated-in sport for children. Our hope is that youth in the Westerville area will have the opportunity to experience the passion, skill and lifetime value of playing the game. Unfortunately, there is a likelihood that many in our community might not be able to afford to play organized competitive soccer.

In order to make this rewarding experience a reality for as many youth as possible, Polaris SC has created a scholarship program to assist families in need with financial aid.

Polaris SC scholarship funds will supplement player fees through either a per payment reduction in fees, or the fees owed after all family contributions have been met. Scholarships awarded by Polaris Soccer Club remain in place for one year, or the time between two consecutive Tryout periods. Scholarships will not carry over from one year to the next. A new scholarship process must be completed each year.

Families requesting Financial Aid should complete the application process before an offer for a roster spot with Polaris SC is accepted. Applications after this period will be considered, but potentially delayed. Applications must be signed by both parents or guardians to be considered. There are exceptions to this guideline with accompanying documentation (court order, divorce documentation, etc.)

Additional supporting documentation (E.g. recent pay stubs, w-2 forms, monthly statements for loans and mortgage or rent payment documentation) for scholarship consideration is recommended but not required.

### **Submit completed applications to:**
